

Assistant Site Supervisor

1

Description

The Municipality of Louise is seeking a dependable and motivated Assistant Site Supervisor to support operations at our waste site facility and train toward a future leadership role. This position is ideal for someone with hands-on experience who is ready to grow into a supervisory role. Only serious applicants committed to long-term development will be considered. The Louise Integrated Waste Management site is located on SW 11-4-11 W off highway 34. Key Duties Include:

- ✓ Assisting with daily waste site operations
- ✓ Supporting safe and efficient waste disposal practices
- ✓ Operating and maintaining heavy equipment under supervision
- ✓ Helping manage recycling, composting & hazardous waste programs
- ✓ Learning to ensure environmental and public health standards
- ✓ Preparing to take on future supervisory responsibilities

2

Skills and Qualifications

- Experience in waste management, construction, or equipment operation preferred
- Valid Manitoba Class 5 driver's license (Class 3 with air is an asset)
- Physically fit and able to work outdoors in all weather conditions
- Strong mechanical aptitude and willingness to learn
- Good communication and teamwork skills
- Clean criminal record check & driver's abstract
- Availability to work occasional Saturdays
- Interest in long-term growth into a Site Supervisor role

3

Wages & Benefits

- The position is full time, \$24-\$26/hr depending on experience. Probation period of 6 months then eligible for Pension and Blue Cross benefits upon successful completion.
